

SHEEHAN ANDYA

FULL-STACK DEVELOPER

089637288051 | sheehanandya001@gmail.com | www.linkedin.com/in/sheehanandya | <https://portofoliosheehan.vercel.app>

Jakarta, Indonesia

C#/.NET Developer with experience in developing desktop and web applications and a background in tax administration, bringing nearly two years of professional experience in analytical and detail-oriented work. Proficient in C# and the .NET ecosystem, with a passion for building efficient, reliable, and user-focused applications that solve real-world problems. Completed a Full-Stack Web Developer Bootcamp, providing additional knowledge of HTML, CSS, JavaScript, and Node.js to complement my software development skills. A fast learner with strong logical thinking and problem-solving abilities, eager to contribute as a full-time .NET Developer and continuously expand my technical expertise.
